

Top 5 Reasons to Sell American Standard Toilets

- 1) **American Standard toilets have the best performance** in the marketplace, with well over 300 toilets with a 1000g+ MaP Score
- 2) **American Standard toilets have the best warranty** in the business, with 5- and 10-Year Warranties.
- 3) **American Standard toilets are easy to install** with the EZ install bolt kit. There is an American Standard branded toilet installed in one in four homes across America. Plumbers prefer our toilets due to ease of install and no callbacks.
- 4) **American Standard toilets have EverClean surface technology** which is fired in permanently, rather than a surface coating. This inhibits the growth of odor and stain causing bacteria, mold, and mildew.
- 5) **American Standard toilets are stylish with great price points.** With hundreds of toilets to choose from, we have a style that is right for your client.

6) And premium showroom models are MAP Protected!
