

Sales Bulletin

#1758

Date: February 19, 2019
Subject: Look Ma, No Fingerprints!
To: Geberit Sales Representatives
From: Ronn W Jefferson, Product Manager

Anything that can be touched will get fingerprints! This is not only unsightly, but requires extra effort to keep clean. Starting **March 1, 2019**, Geberit proudly introduces new matte chrome actuators coated with an **easy-to-clean, fingerprint resistant top-coat**.

For product data, sell sheets, or shareable image files, refer to the Matte finishes (2019) folder of the SalesApp. Other communication sources – including the website and catalogs – are in process of update. The full SKU list, including list price and cross-reference to the old product, is below.

Thank you for your continued support of Geberit!

For any questions, please contact your Geberit Region Manager.

	Color	Design	NEW	Replaces	List Price (2019)	Showroom plate
	Matte chrome-coated	Sigma20 plastic dual flush	115.882.JQ.1	115.882.KN.1	250.00 USD	980.015.JQ.1
		Sigma30 plastic dual flush	115.883.JQ.1	115.883.KN.1	265.00 USD	980.012.JQ.1
